

Explosion Proof Centrifuge Systems “55 Series”

Skid Mounted 755 – Option D
Stainless steel construction
30 in. dia. basket
100 lb. dry weight capacity
1750 RPM / 1200 G-Force
Self-balancing
Pneumatic controls
Pneumatic timer
Pneumatic safety interlock
Collection tank for solvents
Explosion proof compressor
Explosion proof pump
230 or 460 volt / 60 hz / 3 phase

Skid Mounted 755
Stainless steel construction
30 in. dia. basket
100 lb. dry weight capacity
1750 RPM / 1200 G-Force
Self-balancing
Pneumatic controls
Pneumatic timer
Pneumatic safety interlock
Adjustable jack pads
Lid clamps
Nitrogen purge
Viewing window with wiper
230 or 460 volt / 60 hz / 3 phase
